

## **WE WON'T BE DEFEATED BY COVID 19**

We have been hugely encouraged and gratified by the indefatigable way in which we 'oldies' have refused to let Covid 19 and lockdown prevent us from pursuing our friendships and our interests. When we requested reports of activities from group leaders we were bowled over by the ingenuity and mastery of new skills shown by our members.

Please keep those reports coming about your activities and your plans to encourage the rest of us. You may send them firstly to me, Freda, and I will try to organise them for the newsletter and the website. Remember Font required is Arial size 10.

You probably already know that there will be no August newsletter. Deadline for copy for the September edition is August 20th. My e-mail for your reports only (any other items directly to [u3aletter@gmail.com](mailto:u3aletter@gmail.com)) is [chairman@winchesteru3a.co.uk](mailto:chairman@winchesteru3a.co.uk)
